Reported Started: from Aug 2008

Report Finished: To 31 Aug 2008

Overall Assessment: No serious problems, all paths can be walked - but the wet weather means many paths are muddy and/or slippery.

Comparison With Information In Previous Report: Little change.

Maintenance Problems Or Difficulties To Formally Report To Calderdale MBC:
Paths leading to and from the farmyard at Mansfield House are quite overgrown - path leaving farmyard (southwest corner) is waterlogged - but not sure whether anything could be done about this - probably mostly due to wet summer. Still need waymarker on the gate at the back of farmyard.
