

The following information was submitted on August 30, 2007 @ 10:35 pm:

Grid Square: SD9928

Public Name: Barbara B

Date Submitted: 30 August 2007

Date Problem Observed: 22 August 2007

Path From: 997 285

Path To: 996 285

Full Details: There are two paths from the top of Boston Hill to the woods - the more southerly path has disappeared. The wall that ran alongside the path has been replaced with a wire and post fence but there's no stile, however it is possible to climb between the wires.
