Path From: sprutts farm, pecket well, 99942 29491

Path To: near shaw croft farm, pecket well 99812 29271

Full Details: this path is obstructed in 2 places in the same field belonging to sprutts farm. the first is in the top NE corner of the field (99892 29456) where trees have been planted and the corner area fenced off. the second is where the path crosses from sprutts farm land to near shaw croft farm land (99857 29366), here there used to be a stile through the wall but the wall has recently been rebuilt without the stile. there is also unbroken fencing on both sides of the wall making the path impassable.
