Path From: Path No 89, Purprise Farm, Wadsworth, 99132:29926

Path To: Purprise Wood, 98917:30066

Full Details: This path is supposed to pass between the gap separating purprise barn and purprise farm. A wooden door has been erected between the two buildings but cannot be opened as it is obstructed on the valley side by stones and jammed shut by a fence post. There is a garden on this side with no way through for the walker to get right up to the door.
