

The following information was submitted on July 24, 2008 @ 8:33 pm:

-----

Grid Square: SD 9929

Date Submitted: 24/07/08

Reported Started: from Jan 2008

Report Finished: To July 2008

Overall Assessment: All footpaths walked - no major problems encountered.

Comparison With Information In Previous Report: All problems previously reported to Calderdale Council have been successfully dealt with. The path leading behind Pecket Well Mill up to Plumpton is now clear to walk.

Other Comments, If Any: Far and Near Shaw Croft farms remain extremely busy with moving farm & contract machinery in near constant operation.
